- **Database & Programming:** MySQL, SQL, PHP, Laravel, Python (Basics)
- **Soft Skills:** Analytical Thinking, Problem Solving, Team Collaboration

Projects

Adventure Works Sales (Power BI)

[adventure_works](#)

- Designed and developed an interactive **Power BI dashboard** using the Adventure Works dataset to track company sales and customer insights.
- Visualized key performance indicators including **Overall Revenue**, **Total Profit**, **Orders Quantity**, and **Return Rate**.
- Created separate pages for **Sales Analysis** (yearly and product based trends) and **Customer Relationship Management** (occupation and income level analysis).
- Used **Power Query** for data cleaning and transformation, and **DAX** for calculating sales and profit related measures.
- Delivered an intuitive dashboard that enhanced business understanding and supported **data driven decision making**.
- **Technologies:** Power BI, Power Query, DAX, Excel, Data Modeling, Dashboarding.

BlinkIT Grocery Sales Dashboard (Excel)

[blinkit_grocery](#)

- Designed an interactive **BlinkIT grocery sales dashboard** to analyze sales performance across outlets, product categories, and item fat content.
- Utilized **Pivot Tables**, **Pivot Charts**, and **Slicers** to visualize key KPIs such as total sales, average ratings, and outlet-wise revenue contribution.
- Performed extensive **data cleaning** and transformation to ensure accuracy and consistency in the dataset.
- Created dynamic visuals highlighting top-performing outlets, sales distribution by item type, and trends by outlet size and location.
- **Technologies:** Microsoft Excel, Pivot Tables, Charts, Slicers, Data Cleaning, Dashboard Design, Data Analysis.

Education

Bachelors Of Technology in Computer Science
Rajasthan Technical University

Jaipur, Rajasthan
2020 – 2024

Certification

- **Data Scientist** – Focused on data management and reporting concepts

AU Ignite - Aug 2025
